

MAKE YOUR OWN ERROL MASK

Print out the template, colour it and follow the instructions below

REMEMBER TO ASK A GROWN UP FOR HELP

YOU WILL NEED

1. A printout of this page
2. 1 paper plate
3. Scissors (with a grown-ups help)
4. Colouring pens & crayons
5. Pipe cleaners (optional)
6. Glue and tape
7. String or elastic

Step 1 - Print out the template & colour in Errol's face parts with pens or crayons.

Step 2 - Ask a grown up to cut around the dotted lines of Errol's eyes, ears nose and mouth.

Step 3 - Use glue to stick them on to the plate. Leave it to dry.

Step 4 - If you have pipe cleaners stick them to Errol's cheeks with glue or tape if needed. If not draw them on with pen.

Step 5 - Ask a grown up to punch 2 holes either side of the plate.

Step 6 - Thread the string or the elastic through the holes and adjust to the size of your head. Well done! Your Errol Mask is complete.

Bonus Tip - Add some cotton wool to the white parts of the plate and Errol will have furry cheeks!
